

APPLICATIONS

TELEHANDLER

ATLANTIC

Fluid Tech

TELEHANDLER | Boom lift

MAX FLOW RATE 150 [l/min]

MAX PRESSURE 420 [bar]

- ✓ **high pressure**
- ✓ **energy saving**

parts in body

counterbalance valve

cartridge

proportional pilot control

proportional boom

lowering control valve

...Believe in Better

ENERGY SAVING ON MACHINERY

PERFORMANCE IMPROVEMENT

Atlantic Fluid Tech product performance

market average conventional performance

ATLANTIC

Fluid Tech

TELEHANDLER | Boom lift

MAX FLOW RATE 150 [l/min]

MAX PRESSURE 350 [bar]

✓ **compact design**

✓ **multifunctional:**

- load holding
- gravity lowering
- boom suspension function

...Believe in Better

ENERGY SAVING ON MACHINERY

PERFORMANCE IMPROVEMENT

■ **Atlantic Fluid Tech product performance**

■ **market average conventional performance**

ATLANTIC

Fluid Tech

TELEHANDLER | Ride control

MAX FLOW RATE 150 [l/min]

MAX PRESSURE 420 [bar]

- ✓ **compact design**
- ✓ **proportional control**

...Believe in Better

ENERGY SAVING ON MACHINERY

PERFORMANCE IMPROVEMENT
